

Replacement of Printed *AIP Written Premium Trends Circular* with Online Excel Version

To provide data in a more efficient, user-friendly manner, the *Automobile Insurance Plan (AIP) Written Premium Trends* reports distributed by AIPSO’s BOD, RMC, CAC, and AQA circulars are being replaced with two exhibits presented in an Excel spreadsheet format. These exhibits – upgraded to add data from the states of Florida, Hawaii, and Michigan that was not previously included – will be renamed the *Quarterly Residual Market Written Premium Report*.

The mailing of the circular will be discontinued after its next release. If you are not already registered for AIPSO.com, you can register by visiting www.aipso.com and clicking on the *Register* link on the top right hand side. Once logged in, click on the *Industry Data* link under the *For Registered Users* header on the left-hand side of the home page to access the reports.

Registered AIPSO.com users who wish to receive alerts for the exhibits must sign in to AIPSO.com and access the *Email Alert* link under *For Registered Users* header on the left-hand side of the home page. Once on the email alert page, choose the *Industry Data* option under *Other Email Alerts*.

Discontinuing mailing of the paper circulars is consistent with AIPSO’s strategy of ensuring that the cost of its services and operations are kept as low as possible.
